

Double Malt

Brooks Horse Feeds and Bob Peatling's Triple Crown Feeds congratulate trainer Malcolm Pierce and owners Mike Ambler and Partners and jockey Eurico Rosa da Silva for a third straight stakes win.

Passing Mood Stakes on July 22

Eternal Search Stakes on August 22

La Prevoyante Stakes on September 12

"Double Malt prefers the Phase 3. She's run hard and she's kept her weight all summer.

We've tried different feeds, but since she came back this spring, Phase 3 is the one that Double Malt eats. She's been on that feed since April.

It's a big part of her success.

Bob Peatling does a good job. He checks by the barn every morning to make sure we have enough product to get through to the next day."
