Recently Mark added more accomplishments to his resume. On August 22<sup>nd</sup> Hanna Hanover won the \$331,000 Breeders Crown Mare Pace in record time. Driven by George Brennan the 5 year old mare came home one length ahead of Tug River Princess in 1:48.4.

The victory was Hana Hanover's first in four Crown appearances. Steacy trains the five-year-old daughter of Western Hanover for David Reid, David McDonald and Stan Klemencic, all of Ontario, and Dr. Malcolm Man Son Hing of British Columbia.

On the night of August 22<sup>nd</sup> 2009 the 48 year trainer/driver reached a career milestone when his Angus Hall filly J M Annie (2:02.2), picked up her first career win and gave Steacy win No. 1,000 in his brilliant training career. The three wins on this Friday night pushed Mark's career winnings over \$11.3 million.

Mark and Cathy Steacy's home farm in Lansdowne near Brockville Ontario is serviced by Brooks dealer G.T.Enterprises run by Gary Thompson. They use a customized race formula, rice bran and Flax Appeal for racing stock as well as Phase 2 for young stock. "We have a family operation," Steacy says "My wife Cathy, my father and two sons are all involved in running the farm. I have yearlings two and three-year-olds and some older horses in my stable so everybody keeps busy."
