

"Oh Canada"

2 year old champion filly is product of Brooks feeding programs

November 24, 2007 The Meadowlands N.Y.

Canadian owned and bred "*Stylish Artist*" made proud owners of *Mark Steacy*, *Peter Heffering and David Reid* by winning the \$650,000 Breeder's Crown final for pacing fillies at the Meadowlands. Taking an early lead, then dropping back and holding the rail the George Brennan driven filly won with a late charge for her 5th win in 11 starts.

"Stylish Artist" is a product of the *Tara Hills Farm* breeding program near Port Perry Ontario. Tara Hills is a long time valued customer of Brooks Feeds and a participant in the Growth Tracking program offered by Brooks to monitor the development of young horses.

Mark Steacy, who has conditioned several champions while using Brooks rations, trains "Stylish Artist". With the win the filly has banked \$497,763 as a 2 year old.

Brooks Performance Horse Feeds is proud to supply the feed for champions like "Stylish Artist" and work with successful horseman like Mark Steacy.
