

Brooks Fuels Royal Winter Fair Star

Andrea Galan Nicholls' West Star Sport Horses is no stranger to successful outcomes at the prestigious Royal Winter Fair. Her beautiful filly West Star aka. Mel was a champion at the Royal both as a yearling and as a two-year old. Mel was also was a double Cup winner as a three-year old at the RWF with two prestigious titles. To cap it all off Mel was Overall CSHA Grand Champion in 2016.

This year it was a handsome yearling colt named Briggs WS that furthered West Star's growing reputation for excellence. Briggs WS is by Banderas and out of Etoile by Earl. Andrea's West Star Sport Horses is the owner breeder and Briggs WS was expertly handled in the RWF ring by Rob Fera.

Briggs WS was 2nd in the Yearling Gelding/Colt class and 3rd and 2nd respectively in the Get of Sire (Banderas) and Progeny of dam (Etoile) class with his full brother Bandera du Stern WS.

Andrea trusts Brooks Feeds and the guidance of Laurie Bishop to supply the fuel for her champions. Briggs WS has been raised on *All Phase 20, Phase III and Fibre O Plus.*

We're sure that Andrea will be back at future Royal Winter Fairs with more beautiful well-bred horses. Then as now Brooks will be proud to be a nutritional partner in producing such exceptional horses.
